

Ismail Alfasika Abdul Hamid

(Passionate) Frontend Developer

Greater-Accra, Ghana || (+233)597-098-059 || richtech365@gmail.com | <https://www.linkedin.com/in/rich-tech-53b693232>

➤ Professional Summary:

Enthusiastic and skilled Frontend Developer passionate about creating elegant, user-friendly web and mobile applications. Proficient in React.js, Redux, React Native, Vue.js, Firebase, Typescript, Tailwind CSS, and Chakra UI. Experienced in leading front-end projects from conception to execution, delivering high-quality solutions tailored to meet client needs, and committed to continuous learning and staying updated with the latest front-end development trends and technologies.

➤ Professional Experience:

- ❖ **Founder and Frontend Developer:** RichTech365 (Self-made Company) (2021 - Present)
 - Spearheaded the frontend development of various projects, including a school website and a movie web application, utilizing Vue.js, React.js, Redux, Firebase, Tailwind CSS, and Chakra UI.
 - Demonstrated versatility by implementing frontend solutions for mobile applications using React Native.
 - Led a team of front-end developers, ensuring adherence to project timelines and quality standards.
- ❖ **Frontend Developer** -- Amplifica (November 2023 - Present)
 - Contributed to frontend development for a real estate booking project, leveraging React.js, Typescript, Firebase, Redux, Tailwind CSS, and Chakra UI.
 - Collaborated closely with designers and backend developers to implement responsive and visually appealing user interfaces.

➤ Education:

- Bachelor of Science in Computer Science, Accra Technical University (Ongoing)
- High School Diploma in General Science, Twinkl International Senior High School
- Junior High School Diploma, Darul Bayan Islamic School

➤ Skills:

- - Proficient in Vue.js, React.js, Redux, Firebase, Typescript, React Native, Tailwind CSS, and Chakra UI.
- - Strong problem-solving and critical thinking abilities.
- - Effective team collaboration and leadership skills.
- - Commitment to continuous learning and professional development.

➤ Languages:

- English (Fluent)

➤ Internship Development Program at Kayak Technology Group:

- Engaged in front-end development tasks, including testing, documentation, and adherence to coding standards.
- Actively contributed to Agile development processes, participating in sprint planning and daily stand-up meetings.
